

Recent Transactions

Farber's Corporate Finance team recently completed three more deals, totalling more than \$5.7M

Our team has strong relationships with banks and non-traditional lenders across the country. Financing solutions we can arrange include: working capital, term loans, real estate loans, bridge loans, asset-based (ABL), factoring and purchase order, equipment leasing, government funding, subordinated debt, mezzanine debt, venture, and royalty financing. We identify and maximize your financing structure with the right lender(s).

Deal Team:

Glenn Bowman
