## Profile overview

With over 15 years of operational experience—working for some of Canada’s largest national companies—Darren has led cross-functional teams to focus on solving problems and helping organizations improve and grow. During that time, he has been working at progressively senior levels for both large and medium-sized organizations.

## Select client experience

- given his expertise in strategic development and analysis; operational finance and leading cross-functional teams, Darren will partner with candidates and clients providing solid solutions
- Darren is excited to have made this career change into search where he will impact both the careers of leaders and executives, and the future of organizations from a people perspective

## Of interest...

- although he is fond of Toronto and its diversity, his Montreal roots still run deep. He enjoys hitting the slopes, sometimes even out of a helicopter! You can also find him taking on woodworking projects and marveling at the new age of entertainment. Learn more about Darren in his *Faces of Farber* [profile](#)
