## Profile overview

She has a proven track record managing projects and teams of different sizes and complexities across diverse industries. With more than 25 years of hands-on experience, she possesses strong technical skills in:

- restructuring
- liquidations
- asset realization
- refinancing assistance
- general business advice

She exhibits strong communication and interpersonal skills and consistently is able to motivate parties to work towards a common goal.

## Select client experience

Robyn is able to present solutions, and effectively and efficiently execute her recommendations, including:

- operating businesses in distress to facilitate completion of work in process, collection of accounts receivable, and finalization of the sale of assets
- marketing, negotiating, and successfully completing sales of assets of various organizations including publicly traded companies, Tier 2 automotive part manufacturers, retail stores, manufacturers, software developers, construction related, and food distributors

- providing strategic advice and expertise to corporations, secured lenders, and other stakeholders regarding challenging situations
