Profile overview

She has a proven track record managing projects and teams of different sizes and complexities across diverse industries. With more than 25 years of hands-on experience, she possesses strong technical skills in:

- restructuring
- liquidations
- asset realization
- refinancing assistance
- general business advice

She exhibits strong communication and interpersonal skills and is consistently able to motivate parties to work towards a common goal.

Select client experience

Robyn presents solutions, effectively and efficiently executing her recommendations, including:

- operating Tier 2 automotive companies to facilitate the completion of the work in process and collection of the accounts receivable pursuant to negotiations and finalization of Administration Agreements with the key customers
- marketing, negotiating and successfully completing the sale of assets of various organizations including the sale of a revolutionary point-of-care molecular diagnostic system and the sale of a Cloud Based Enterprise Resource Planning (ERP) Software-as-a-Service (SaaS) starting with a stalking horse offer and ending with an

auction of the assets which went 17 rounds

- acting as an Estate Trustee During Litigation (ETDL) to take control and realize on the assets of a deceased person's estate, complete all filings with Canada Revenue Agency, obtain a Clearance Certificate, and facilitate the distribution of the proceeds to creditors and ultimately to the beneficiaries of the estate
- providing strategic advice and expertise to corporations, secured lenders, and other stakeholders regarding challenging situations
