Profile overview

After entering the search industry in 2011, Steve supported a wide variety of clients in finding and engaging talent on both an interim and permanent basis, at levels ranging from intermediate through the C-suite. While focused on finance and accounting, he has also filled roles in HR, logistics, and operations.

Steve had a 25-year career in finance leadership in the packaged goods, education, transportation, and market research industry. He recruited and developed finance talent who are in leadership roles across Canada's business environment today.
